Inspect

Why Inspecting Matters

It is our mission to provide quality and safe items for our shoppers.

Every consignor is responsible for inspecting each item before Drop Off to ensure they follow our quality and safety standards below:

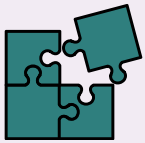

Clean

Are items in great condition? Free of stains, rips, odors, pet hair.

Compliant

Have items been checked w/ safety & recall guides.

Complete

Are all pieces included? All in working order with working batteries.

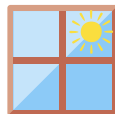

Current

Are items in current season & priced correctly? 60-90% off retail prices.

Pro Tips for Inspecting:

- Check items in a well lit area, next to windows works best

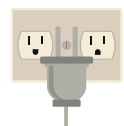

- Or use a ring light or bright light while checking clothes

- Test out all items requiring batteries & replace as needed

- Plug in all items with a cord to verify they are working

Safety
